

12 TIPS

TO HELP YOU SETTLE IN

Finally the time has come: you are one of the first students to move into the new Horizon building, venturing into 'new worlds'. The Horizon building is a beautiful building with modern study facilities, but still partly under construction. That's why things may get somewhat chaotic at the beginning. We've gathered a few tips for you to help you settle in quickly. Many thanks in advance for your understanding and your patience.

1

Mind the small but important difference in building names in your study timetable: the H-building (to be called Ocean building in the future) and the Horizon building (Ho-building) are two different buildings.

2

Behind the current H-building there's a tent for all lectures originally scheduled in the chapel (Horizon building), because this chapel is not entirely finished yet. You can find this location in your time table described as Tent LH temporary.

3

The N-building is closed, as are the car park and bicycle racks outside this building. The entrance of the Horizon building for bicycles and pedestrians is situated at the front of the Horizon building at Hopmansstraat. Mopeds and cargo bicycles can be parked to the front of the current H-building.

- 4 Chances are that you'll walk the wrong way every now and then. Do not despair. Start searching in time. Keep the floor plans of the Horizon building in your bag during the next few months and you'll be fine!
- 5 Breda University of Applied Sciences is an international organisation. Our language of communication is English.
- 6 In the development of the campus, we have opted for a green approach. Where we used to hop into our cars, we now might have to consider other options, such as public transport or cycling. Buses 5, 7 and 8 depart from Breda Central Station, taking you to Hopmansstraat in less than no time.
- 7 The new smartcard can be used for printing or to get coffee. The smartcard will be sent to your home address or you will receive an e-mail with instructions from the Service Desk to collect your smartcard.
- 8 Your smartcard is also used to rent a locker, but for this purpose you will need a subscription first. This subscription can be arranged via the Service Desk. You can rent a locker for one month (€5), six months (€12.50) or one year (€25).
- 9 Looking for a lecturer? Lecturers can be reached easily via your Outlook e-mail system. Type in his or her name and the right e-mail address will pop up automatically. The staff office is not open to students. You can arrange to meet your lecturer in the community zones and study landscapes.
- 10 We want to keep our new building clean and tidy. That's why food and drinks are only allowed in the large and small atriums on the ground floor. In the classrooms and study areas, water is the only drink allowed.
- 11 Smoking? Well, it's best if you don't smoke at all, but the temporary smoking zone is situated to the side of the Horizon building.
- 12 Would you like a tour of the new building? These are available on Monday 3 and Tuesday 4 September at: 10:00 a.m. / 11:00 a.m. / 12:00 p.m. / 1:00 p.m. The tours start at the Meeting Point in the large atrium on the first floor of the Horizon building.

Do you have any questions?

Please feel free to contact the **SERVICE DESK**. We are located near the large atrium on the ground floor and can be reached via +31 76 533 22 33 or e-mail: ServiceDesk@buas.nl
